

**BALANCED MONTHLY INCOME FUND**

Class S – March 31, 2024

**Investment Approach**

The Balanced Monthly Income Fund seeks to achieve a balance of current income and long-term growth of capital. The Fund is diversified between equity and fixed income securities, with a slight bias to equity to provide long-term growth. The Fund invests in a selection of underlying funds which utilize a manager-of-managers investment strategy and combine multiple specialist Portfolio Managers, each of whom is responsible for managing a portion of the portfolio in accordance with a specific mandate.
